# OVERVIEW

## WHAT WILL MY CHILD LEARN?

This group therapy session will target the following skills whilst learning to draw cartoons/characters:

- Language Skills
  - Reasoning Skills (i.e., explaining what they created and why)
  - Building vocabulary (e.g., art supplies; vocabulary specific to drawing; social words)
- Following Instructions
  - Sequential (e.g., draw the ear first and then the head)
  - Before/After (e.g., After you draw the arm, draw the hand)
  - Spatial (e.g., Grab the pencil in the box)
  - Quantitative (e.g., Draw five fingers)
- Fine-Motor Skills
  - Using appropriate pencil grip
  - Increase pencil control
- Social Skills
  - Requesting
  - Protesting
  - Terminating the activity
  - Asking for help or additional information
  - Conversational turn-taking
- Creative Expression
  - Navigating emotion and self-expression through art
- Choice & Control
  - Assisting your child to develop the skills in making their own choice, thus building confidence and flexible thinking
